

## SAVER 100

This offer valid until 30.April.2009

- New fiberglass fins for trainings and competitions.
- Saver 100 fits perfectly juniors and adults as training or competition fins
- Fins have rubber ribs and heightened side protection for directing the water flow. Rubber under the sole makes the fins nonslipping in start and during turns
- Strongened fin-strap is recommended to fix your feet firmer in footpocket. Leg power transmission will be more effective if fins have long heel. Foot protection makes fins more comfortable to use
- Fin maximum measures are 65x24cm. Customize your fins with name & flag, foot protection, long heel and strongened fin-strap
- All Saver fins come with a one year warranty for materials and craftsmanship
